[Trip Lee:]

You ever felt like stuff just never goes your way?  
Like everything's against you?  
Well, God never promised He would keep me away from all those trials  
If I want perfection I'm a have to wait till later  
And I ain't trippin' 'cause He has promised  
That He will work all things together for the good of those who love Him on  
a call accordin' to His purpose  
Let's praise Him for that  
Yeah

It's 'bout that time to let them know this how we feel about Him  
It's 'bout that time to let them know this how we feel about Him  
It's 'bout that time to let them know this how we feel about Him  
Yeah, yes sir, let's go

I know this life may bring, pain and a broken heart  
I've shared my share of tears, plus I got lonesome scars  
I've had my ups and downs, my rises and my falls  
So sometimes people ask me, how I survive it all  
I tell 'em 'bout my Lord, let's get it understood  
My King controls it all and He does it for my good  
My Savior bought me, then gave me new life, this in His name  
Now that He got me, I know that He'll bring me through the pain

[Jai:]

For my good, You did it all for my good  
You'll never put so much on me  
When I couldn't take it, I know I can make it  
'Cause everything's gon' be ok  
Say it's all good, it's all good  
It's all good, God You are are so so good  
Say it's all good, it's all good  
It's all good, 'Cause You know it's for my good

[Trip Lee:]

It's 'bout that time to let them know this how we feel about Him  
It's 'bout that time to let them know this how we feel about Him  
It's 'bout that time to let them know this how we feel about Him  
Yes sir, come on, let's go

He ain't gon' give me nothing, if it ain't good for me  
Sometimes I ask for something, that seemin' good to me  
But my God is wiser, it's clear He really loves me  
Sometimes He tells me "No! ", if not it will be ugly  
How I'm gon' question Him? Deny my rest in Him?  
He'll give us all things, He gave His son who bled for sin  
My Lord is more than good, it's clear that He delights to give  
Good gifts to His sons and daughters, all those who in Christ are hid

[Jai:]

For my good, You did it all for my good  
You'll never put so much on me  
When I couldn't take it, I know I can make it  
'Cause everything's gon' be ok

Say it's all good, it's all good  
It's all good, God You are are so so good  
Say it's all good, it's all good  
It's all good, 'Cause You know it's for my good

Through all your problems, give it to Him  
You just remember that He's bigger than them  
There is a purpose, there is a plan  
You'll be much better than you've ever been

For my good, You did it all for my good  
You'll never put so much on me  
When I couldn't take it, I know I can make it  
'Cause everything's gon' be ok  
Say it's all good, it's all good  
It's all good, God You are are so so good  
Say it's all good, it's all good  
It's all good, 'Cause You know it's for my good
