

# Krap Karate

Tripod

Krap karate...  
Krap karate...  
Krap karate...  
Krap karate...

It's not...  
Comin' to get ya

I'm trained in a special skill  
To not look like I could kill  
There's a poster on my bedroom wall  
Of Steven Seagal  
Krap karate

I haven't studied, I never fight  
(Fight fight fight...)  
I watch Buffy every night  
(Night night night...)  
If you pick on me, there won't be a threat  
You'll only get  
Krap karate...

My hands are lethal weapons  
Provided I'm holding a gun.  
I'm registered with the Government  
As a... taxpayer

(Such krap karate...)

Jackie Chan's got everything on me  
Don't move over, Bruce Lee.  
I could go at any moment  
I'm a great exponent of...  
Krap karate

Yee! Ho! Shing!

(Yon; spoken) Hi, I'm Yon. An expert with a knife. A surgeon, a craftsman,  
A master of the deadly blades. Silent death...

Yee! Ho! Shing!

(Gatesy; spoken) Hi, I'm Gatesy...

(Yon; spoken)... so silent, you don't hear a thing. It's just... whoosh-- uu  
uurgh. Well, actually, it would be more like... (pause)... uuuurgh. And at c  
lose quarters, I can use my knife silencer.

(Gatesy; spoken) Hi, I'm Gatesy, demolitions expert. Master of C4, A4, and f  
oolscap. And if we get into trouble, I can call for reinforcements - those c  
ircular adhesive labels. I can pick off any moving target, util they are...  
stationery!  
Really loud death!

Yee! Ho! Shing!

(Scod; spoken) Hi, I'm Scod, seamstress...

I told you they'd laugh!

(Gatesy; spoken) Hey! He makes the costumes.

(Yon; spoken) It's a very important role!  
All three of us, highly trained in the art of...

Krap karate...

Late in the evenin', I'm havin' drinks with my girl  
(CafĚ Latte...)  
I'm her protector, the great defender of her world  
(After the party...)  
She grabs my chest, my pecs are burning with desire  
And the hairs on my legs...

... this call is being charged at \$8.90 an hour...

Jackie Chan's got everything on me,  
Don't move over, Bruce Lee  
Don't come any closer  
Unless you want a dose of...  
Krap karate!

Looks great in a mirror!
