Her name was maryanne
She was searching for a man

Her silouhette was unmistakable
She stood out in a crowd
She had a shapely head
And a long flowing nose
She was hideous
A walking disaster
A cranky crone (?)
A picture of disgust
She caught his eye
And returned it promptly
He was glad that she could catch it
But they couldn't re-attatch it
He was blinded for all time
"Alright"
So they lived happilyyyyyyyyyyy
Because he couldn't seeeeeeeeeee
That she was so uglyyyyyyyyyyy
I'm glad it wasn't me...
And they lived happily.
