

# How You Feel

Trippie Redd

Haven't smiled in awhile  
But yesterday was too wild  
I guess I wanna know how you feel, yeah  
How you feel, yeah  
If you wouldn't be so proud  
All my thoughts are so proud  
I guess I wanna know how you feel, yeah  
How you feel, yeah  
I'm tryna pour my heart out  
How the fuck I'm 'posed to sound?  
I guess I'm tryna know how you feel

Like cookies to a girl scout  
And nobody would move or smile  
I guess I'm tryna know how you feel  
How you feel

How you feel about me, feel  
How you feel about me, feel  
How you feel about me, feel  
How you feel about me  
How you feel, how you feel, how you feel  
Ooh (how you feel about me, how you feel)  
Ooh (how you feel about me, how you feel)  
Ooh-  
woah (how you feel about, how you feel, how you feel, how you feel)  
Feelin', how you feelin' (how you feel about me, how you feel)  
How you feelin' (how you feel about me, how you feel)  
How you feelin' (how you feel about me, how you feel)  
How you feelin' (how you feel about me, how you feel, feel, feel)  
How you feelin', how you feelin', how you feelin'-in'  
Ooh (how you feel about me, how you feel)  
Ooh (how you feel about me, how you feel)  
Ooh-oooh (how you feel about me, how you feel, how you feel about me,  
how you feel)

Haven't smiled in awhile  
But yesterday was too wild  
I guess I wanna know how you feel, yeah  
How you feel, yeah  
If you wouldn't be so proud  
All my thoughts are so proud  
I guess I wanna know how you feel, yeah  
How you feel, yeah  
I'm tryna pour my heart out  
How the fuck I'm 'posed to sound?  
I guess I'm tryna know how you feel
