Please don't let me down  
Please don't let me down  
Please don't let me down  
Please don't let me down  
Shawty, please don't let me down  
'Cause I'm up right now  
Ayy, shawty, please don't let me down  
Ooh, yeah  
'Cause I'm up right now  
Don't let me down  
Don't let me down  
Don't let me down  
Please don't let me down

In the studio every night, late night  
Mama said please don't let me down  
With my goons, with my niggas, they protect me  
Say don't let me down  
And my 1400 800 niggas  
Talk down and you want beef now  
Yeah my 800 goons pop out  
Young nigga I bring the streets out  
Tell me what you want  
Tell me what you want, pussy, tell me what you want  
Now walk  
You don't want no walk  
No walk, ayy  
With my troops, with my troops  
And them niggas won't let me down  
Let me down  
They won't let me down  
They won't let me down

Please don't let me down  
Please don't let me down  
Please don't let me down  
Please don't let me down  
Shawty, please don't let me down  
'Cause I'm up right now  
Ayy, shawty, please don't let me down  
Ooh, ayy  
'Cause I'm up right now  
Please don't let me down  
Please don't let me down  
Please don't let me down

Don't bring me down, bring me closer to God  
Don't bring me down, bring me closer to God  
Don't bring me down, bring me closer to God

Bring me closer and closer and closer to God  
Bring me closer to God, yeah, closer to God  
Closer to God, bring me closer to God  
Closer to God, closer to God
