Trippie Redd

Yeah, today is gonna be a good day
Damn Goose!
14, yeah...
Ooh, hey...

I don't know you I just got into your shit today
Lookin like a million dollar lick today
Yeah, but you niggas ain't takin' shit today
All this sauce up on my wrist, I might get sick today
Today, Today, Today
Today, Today, Today
Today, Today, Today
Today, Today, Today

Ooh, told the hoe to suck my dick, girl don't let go
Yesterday I didn't know, but now I know
So, guess that, guess that was me with your hoe
Try to run up on me then I leave you sleeping, low
Low, limbo
Slap that pussy nigga out in my Timbo's
Ooh, I'm not from here I landed here in UFO's
Smokin' gas and blowin' O's
She, suck on that dick till she lose control
Hoe, you can't control me do I look like a remote
Big drank you know I like sippin' four's
I like how he think, makin' you control that dome

I don't know you I just got into your shit today
Lookin like a million dollar lick today
Yeah, but you niggas ain't takin' shit today
All this sauce up on my wrist, I might get sick today
Today, Today, Today
Today, Today, Today
Today, Today, Today
Today, Today, Today

Ooh, yeah, that's the ice way
Diamonds round my neck I let the ice bling
Bitches chasin' us, bitch this ain't Ice Age
Ooh, Run up on me let my pipe bang, yeah
Ooh, aye, lookin' like a mill
You ain't really, really, in the field
Yea, you need to chill
Yea, you need to chill, boy
Swear you need to chill, boy
On my block don't talk, they say I rule, boy
I just swerved off in a coupe, boy
Please don't make me make you make the fuckin' news, boy

I don't know you I just got into your shit today
Lookin like a million dollar lick today
Yeah, but you niggas ain't takin' shit today
All this sauce up on my wrist, I might get sick today
Today, Today, Today
Today, Today, Today
Today, Today, Today
Today, Today, Today
