Trippie Redd

DJ on the beat so it's a banger
(It ain't over, it ain't over)
(It ain't over, it ain't over)
Yeah

Don't talk to strangers
Since a youngin' I've been totin' bangers
I might take that lil' bitch to Topanga
I said, "Stop, little bitch, you in danger"
Yeah-eah, you in danger
I might take your lil' ass to Topanga
Just don't move like no motherfuckin' stranger
Know I tote bangers, boo-boo-boo-boom
Stop, you in danger
I can take you to Topanga
Open my hands like Jesus and save ya
Know I'm known to tote bangers
Said, "Boo-boo-boom, you in danger"
Stop that now, you in danger
Stop right now, you in danger
Stop that now, you in danger
Stop right now, you in danger, yeah

Got this choppa on me, then I'm bustin'
If you run out on me, then I'm gunnin'
Hit you in your stomach, we tote 'em in public
