Tripping Daisy

if your problems seem to long, communication breaks
down slow
and if your trouble seems to far, communication breaks
down slow
you will soon be over there

time to feel waken, you will know
time to feel shaken, you will show

if your problem seems to long, communication breaks
down slow, you will soon be over there
and if your trouble seems to far, communication breaks
down slow, you will soon be over there

and you will lye, feeling strange, over and over

oooooooooooo oooooooooo oooooooooo
oooooooooooo ooooooooooooo

if your problem seems to long, communication breaks
down slow, you will soon be over there
and if your trouble seems to far, communication breaks
down slow, you will soon be over there

there, there

and you will lye, feeling strange, over and over

and you will lye, feeling strange, over and over
