

G.R.O.W.

GROW

I know because you are here and we live by the sun

You know why

Til' someone comes down and takes all the fun,

I know that you feel the same

You don't owe me

You owe superworld

I'd like to take your for a ride, yeah

I loved the days when we were younger then rainbows caught us

G.R.O.W. that spells GROW

I know because you are here and we live by the sun

You know why

Til' someone comes down and takes all the fun,

Well I know that you feel the same

I can see the stars, they're brighter than you

You are a lucky fellow

I can see your heart, it's brighter than you

I have seen lovely weather

I have seen the stars, they're much more brighter than you
