

Sigmund And The Seamonsters

Tripping Daisy

You better run,
You better hide
We gotta keep you
Out of sight
Be careful, Sigmund
Cover your tracks
When you leave
'Cause you know
Zelda won't believe
Your friend is Sigmund
Who ever heard of
A friendly sea monster
Lovin' and laughin'
His life away?
You better run,
You better hide
We gotta keep you
Out of sight
Be careful, Sigmund
The other monsters
Put you down
'Cause you're not mean
And now we've found
A friend in Sigmund
Who ever heard of
A friendly sea monster
Lovin' and laughin'
His life away?
The other monsters
Put you down
'Cause you're not mean
And now we've found
A friend in Sigmund
He's alright
He's out of sight
He makes me smile
I like his style
I hope he stays awhile
And he's doin' fine
He's a friend of mine
You better run
You better hide
We gotta keep you
Out of sight
Be careful, Sigmund
He's a friend of mine
