

We're Only Gonna Die

Tripping Daisy

Early man walked away as modern man took control
Their minds weren't all the same to conquer was his big goal
So he built his great empire, he slaughtered his own kind
Then he died a confused man, killed himself with his own mind
Go, we're only gonna die from our own arrogance
Why thank you, you like the song about the fascists, don't you?
Its amazing how you can like something so wrong
But that's okay aren't we the free-fighters?"
