

## Better Your Heart Than Mine

Trisha Yearwood

Don't come crying to me  
It wasn't long ago that you couldn't see  
The pain you put me in when you walked out

Don't bring me your rainy day  
There's just so much a girl can take  
And all the tears in the world won't help you now

I can't tell you it's alright  
I won't be holding you tonight  
You want the love you threw away  
All you're gonna get is a whole lot of pain

Better your heart than mine  
Better luck to you the next time  
You broke my heart in two  
Now it's coming back on you  
It's your turn to cry  
Better your heart than mine

You come waltzing through my door  
Like I ain't been here with you before  
Don't tell me that new love done put you down

Don't you tell me it's alright  
You won't be holding me tonight  
You want the love you threw away  
All you're gonna get is a whole lot of pain

Better your heart than mine  
Better luck to you the next time  
You broke my heart in two  
Now it's coming back on you  
It's your turn to cry  
Better your heart than mine
