I Don't Fall in Love So Easy

Trisha Yearwood

I don't fall in love so easy
I don't even know how it feels
I don't fall in love so easy
I don't even know if it's real

Too strong don't mean it's for long
Too deep don't mean it's for keeps
Fast doesn't last
I don't fall in love so easy
But I'm fallin' in love with you

I don't give my heart to just anyone
I don't even know how to do it
I don't give my hand to just any man
I don't wanna put myself through it

I don't want what I don't want
I can't feel what I don't feel
It's sad but it's true
I don't fall in love so easy
But I'm fallin' in love with you

I used to pray someday to change
But I found new ways to stay the same
Until you came

I don't fall in love so easy
I don't even know where to start
I don't fall in love so easy
I don't understand my own heart

It's so hard to drop my guard
I don't know how to just let go
But what else can I do
I don't fall in love so easy
But I'm fallin' in love with you
I'm fallin' in love with you
Yes, I'm fallin' in love with you
