

## O Mexico

Trisha Yearwood

I'm catchin' this south bound train  
I've had enough of the pouring rain  
Chilled to the bone, I have to go  
Love was never a friend of mine  
The only friend that I have is time  
It's down the track, ain't lookin' back  
Mexico, O Mexico  
I long to see your border town  
Mexico, O Mexico  
Adios mi corazon  
The cars are clickin' the night along  
But all I hear is a heartbreak song  
Haunting me, relentlessly  
Come the morning and I will stand  
On the banks of the Rio Grande  
A brand new day, wash those tears away  
There's nothin' like the feel  
Of the steel against the steel  
And you can't forget the crying of the rail  
There's nothin' like the sight  
Of a moonlit desert night  
To heal a broken heart that was so frail
