

# The Man That Got Away

Trisha Yearwood

The night is bitter  
The stars have lost their glitter  
The winds grow colder, and suddenly you're older  
And all because of the man  
That got away

No more that eager call  
The writing's on the wall  
The dreams you've dreamed have all gone astray

The man that won you  
Has run off and undone you

That great beginning, has seen  
The final inning  
Don't know what happened  
It's all a crazy game

No more that old time thrill  
Cause you've been through the mill  
And never a new love will be  
The same

Good riddance, goodbye  
Every trick of his, you're on to  
But fools will be fools  
And where's he gone to?

The road gets rougher  
It's lonelier and tougher  
With hope you burn up,  
Tomorrow he may turn up  
There's just no let up  
The livelong night and day

Ever since this world began  
There is nothing sadder than  
A one man woman  
Looking for the man that got away  
The man that got away...
