

# You Got Me

Tristan Prettyman

Tell me you love me  
That I don't know how much you mean it  
Every time you look in my eyes  
You make sure that I can see it  
I can't recall if I ever felt this way before  
And if I did, wouldn't want those feelings hanging  
Around here anymore

Just so you know  
You got me  
Nothing in the whole wide world could ever  
Stop me  
If you got love, got love to give  
Just keep giving it up and someone will  
Let you in  
And just, so you know  
You got me

Everyday you write it down  
Just so I can read it  
The best thing that ever happened to you  
You know I wanna be it  
I can't recall if I ever had a love I truly missed  
And if I did, it wasn't no love compared to this

Just so you know  
You got me  
Nothing in the whole wide world could ever  
Stop me  
If you got love, got love to give  
Just keep giving it up and someone will  
Let you in  
And just, so you know

You got me waiting  
Learning my patience  
Won't you hurry up and rescue me  
There's so much talking  
It's all I wanted

Just so you know  
You got me  
Nothing in the whole wide world could ever  
Stop me  
'Cause if you got love, got love to give  
Oh, just giving it up and someone will let you in

And just so you know  
You got me  
Nothing in the whole world could ever stop me  
'Cause if you got love  
Love, love to give  
Oh just keep giving it up  
And giving it up  
And giving it up  
And just so you know  
You got me
