

Movin' On

Triumph

You gave me time to go free
You showed me how to get what I need
It's so hard to see what you did to me
So I'm movin' on
It seems like days or weeks since I've tried
To figure out why did you lie
Thought it was me just too blind to see
Now I'm movin' on

Why did I try to love you
Just get away
Give me time let me be can't ya see

Movin' on along the railroad tracks
Never know when I'm comin' back
And don't you ask me to stay
Well I'm movin' on along the railroad tracks
Never know when I'm comin' back
Don't you ask me to stay, ask me to stay

I made it back in the dead of the night
There's something wrong and I don't know why
I made up my mind gonna do it right
Now I'm movin' on

Why did I try to love you
Just get away
Give me time let me be can't ya see

Movin' on along the railroad tracks
Never know when I'm comin' back
And don't you ask me to stay
Well I'm movin' on along the railroad tracks
Never know when I'm comin' back
And don't you ask me to stay, ask me to stay

In the morning never say ya care
Ya keep me to yourself and I don't want to share wanna share

Well I'm movin' on along the railroad tracks
Never know when I'm comin' back
And don't you ask me to stay
Well I'm movin' on along the railroad tracks
Never know when I'm comin' back
And don't you ask me, don't you ask me to stay,
Well I'm movin' on along the railroad tracks
