Is it fate or random chance How can I decide Are we victims of circumstance When destinies collide

All the odds are against you But somehow you make it through You can rationalize it away But it all comes down to you

Half our lives we spend waiting For the knock upon the door When it comes, will it be the one That I've been waiting for

Somebody's out there, somewhere Waiting for someone to come their way Somebody's out there, somewhere I will somehow be somebody's someone Some day

Standing in the shadows Hiding from the light Reach out in the darkness And hold on for your life

All the fear of the future
All the loneliness inside
When the moment of truth arrives, hey
You can run but you can't hide

Somebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will somehow be somebody's someone
Some day

I can feel it inside me
I've been holding on so long
Something's telling me something's got to give
'Cause the feeling's way too strong, too strong

Somebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will make them mine
Somebody's out there, somewhere
Waiting for someone to come their way
Somebody's out there, somewhere
I will somehow be somebody's someone
Some day (somebody's out there somewhere)
Some day (somebody's out there somewhere)
Some day (somebody's out there somewhere)
I will make them mine (somebody's out there somewhere)
(Somebody's out there somewhere)
