

## A Gunshot to the Head of Trepidation

Trivium

You starve your children on neglect  
Then feed their bellies with fear (bellies with fear)  
Concussion bat to the brain  
Witness to a battered mother (battered mother)

Your abuse will end right here  
No longer will your family fear (no longer will your family fear)  
A gunshot to head of trepidation (trepidation)  
My promise if you ever lay a finger

Just look at the scars you make  
Your terror makes your kids break (makes your kids break)  
A broken home just as you were raised  
With fist raised up to your children

Your abuse will end right here  
No longer will your family fear (no longer will your family fear)  
A gunshot to head of trepidation (trepidation)  
My promise if you ever lay a finger

This battle is on all  
You've made beautiful  
Now hateful  
You wretched life wrecker  
Abuser  
Now suffer

Open fire  
On the desire of the man  
Open fire  
With strife we'll strike down the hand  
(Open fire, build the pyre)  
If I can't make you see the damage you've made  
(Open fire, build the pyre)  
I'll make you wish you'd never been alive

Open fire  
On the desire of the man  
Open fire  
With strife we'll strike down the hand  
(Open fire, build the pyre)  
If I can't make you see the damage you've made  
(Open fire, build the pyre)  
I'll make you wish you'd never been alive
