

# Chaos Reigns

Trivium

I built these wings  
With broken things  
Found strewn in me  
My nemeses

Chaos reigns  
Chaos reigns  
Chaos reigns  
Chaos reigns

I break and bleed  
I tear, then feed  
The wretchedness  
Inside of me

Chaos reigns  
Chaos reigns  
Chaos reigns  
Chaos reigns

I know where my hate truly hides  
Front and center behind these  
Eyes

Chaos

Reigns

It bits and holds  
With fangs, so old  
That loathsomeness  
So bitter cold

Chaos reigns  
Chaos reigns  
Chaos reigns  
Chaos reigns  
Chaos reigns
