She'd rather let the ocean take her inside it's wake Let the water fill her lungs like the air she hates to breathe Now lost at sea

Rise, rise above the tides
The waves will pull you under if you don't fight

Slowly sinking to the bottom of the sea I contend that theres no loss within, since she hates to breath e

Now lost at sea

Rise, rise above the tides
The waves will pull you under if you don't fight
Rise, rise above the tides
It's over now, yourself could give up on life

We're lost forever Lost together We're lost forever Lost together

She'd rather let the ocean take her inside it's wake Let the water fill her lungs like the air she hates to breathe Now lost at sea

I must like to be
The waves will pull you down, underneath tonight

Rise, rise above the tides
The waves will pull you under if you don't fight
Rise, rise above the tides
It's over now, yourself could give up on life
