3 Dressed Up As A 9

Hey wait a minute
Who do you think you are
Comin' on, comin' on
Like you're some kinda movie star

Wearing twelve hundred dollars
D'ecollet'e
You looked a whole lot better to me
From twenty feet away

You're just a 3 dressed up as a 9
You're only, wastin' my time
A 3 dressed up as a 9, hey yeah...
(All dressed up but you're only a 3, a 3 dressed up as a 9)

Socially
You know you fit in just right
But as for me
I'm gonna have to pass tonight

Well you can say what you like
Be what you wanna be
You can suit yourself, baby
But you don't suit me

You're just a 3 dressed up as a 9
You're only, wastin' my time
A 3 dressed up as a 9, hey yeah...
(All dressed up but you're only a 3, a 3 dressed up as a 9)

Hey wait a minute
Who do you think you are
Comin' on, comin' on
Just like you're some kinda movie star

Well you can say what you like
Be what you wanna be
You can suit yourself baby
But you don't suit me

You're just a 3 dressed up as a 9
You're only, wastin' my time
A 3 dressed up as a 9, hey yeah...
