

## Anna Lucia

## Trophy Scars

Anna Lucia steps out of her car  
Loosens her scarf as she enters the bar  
Then she goes dancing  
And romancing

Anna Lucia drinks rum for revenge  
Thinks of her cowboy all covered in red  
The she just smiles  
Turns to her left and...

Anna makes talk with the man to her side  
Asks him his plans for the rest of the night  
Then he says "Anna,"  
"You are gorgeous,"

Then she falls into his arms  
Says "This won't be so hard,"  
"Just to love you,"  
"Over nothing,"  
"Over something."  
Yeah.

A girl's gotta do what a girl's gotta do  
Doesn't matter how she gets it  
Or if she speaks the truth  
Her eyes bright with love  
And a warm sense of touch...  
She'd confess herself to heaven just to kill the God above.

Anna Lucia just follows his car  
Parks on the street while he opens his door  
To his apartment  
But she's conflicted

Anna conceals a blade in her purse  
Her mind is made up when she pulls down her skirt  
She say "Please excuse me,"  
"I'll be right back, hun,"

Anna goes back to her bag for the knife  
Returns to the room and then turns out the light  
Goodnight  
Goodnight

For the wolves that try to hurt us  
For the wolves that go desert us  
For the wolves that don't deserve us  
Here's luck's revenge

He spots her knife when she gets on top and  
Asks her calmly what she's going to do then  
She looks up at the ceiling then cries, says:  
"I want revenge."

Then he grabs her by her arms  
Says "Will it fix your heart?"  
"Just to kill me?"

"Over nothing?"  
"Over something?"  
Yeah

Then she falls right to her knees  
Screams "Please don't break my heart!"  
"Just to love me,"  
"Over nothing"  
"Just for something"  
Yeah

For the snakes that will betray us  
For the sharks that still destroy us  
For the fucks who set your heart on fire  
Who's crying now?

Anna Lucia  
I'm pleased to meet ya  
Please don't say goodnight, no, no

Anna Lucia  
I'm pleased to meet ya  
Please don't call this luck, no
