

Happy Little Pill

Troye Sivan

In the crowd, alone
And every second passing
Remind me I'm not home
Bright lights and city sounds
Are ringing like a drone
Unknown
Unknown

Glazed eyes

Empty hearts
Buying happy from shopping carts
Nothing but time to kill
Sipping life from bottles
Tight skin bodyguards
Gucci down the boulevard
Cocaine dollar bills and

My happy little pill
Take me away
Dry my eyes
Bring colour to my skies
My sweet little pill
Take my hunger
Light within
Numb my skin

Like a rock
I float
Sweating conversations
Seeping to my bones
Four walls are not enough
I'll take a dip into the unknown
Unknown

Oh, glazed eyes

Empty hearts
Buying happy from shopping carts
Nothing but time to kill
Sipping life from bottles
Tight skin bodyguards
Gucci down the boulevard
Cocaine dollar bills and

My happy little pill
Take me away
Dry my eyes
Bring colour to my skies
My sweet little pill
Take my hunger
Light within
Numb my skin

Glazed eyes

Empty hearts

Buying happy from shopping carts
Nothing but time to kill
Sipping life from bottles
Tight skin bodyguards
Gucci down the boulevard
Cocaine dollars bills and

My happy little pill
Take me away
Dry my eyes
Bring colour to my skies
My sweet little pill
Take my hunger
Light within
Numb my skin
