Heaven

Troye Sivan

The truth runs wild

Like a tear down a cheek

Trying to save face, and daddy heart break

I'm lying through my teeth

This voice inside
Has been eating at me
Trying to replace the love that I fake
With what we both need

The truth runs wild Like kids on concrete Trying to sedate, my mind in it's cage And numb what I see

Awake, wide eyed
I'm screaming at me
Trying to keep faith and picture his face
Staring up at me

Without losing a piece of me
How do I get to heaven?
Without changing a part of me
How do I get to heaven?
All my time is wasted
Feeling like my heart's mistaken, oh
So if I'm losing a piece of me
Maybe I don't want heaven?

The truth runs wild

Like the rain to the sea

Trying to set straight the lines that I trace

To find some relief

This voice inside

Has been eating at me

Trying to embrace the picture I paint And colour me free

Without losing a piece of me
How do I get to heaven?
Without changing a part of me
How do I get to heaven?
All my time is wasted
Feeling like my heart's mistaken, oh
So if I'm losing a piece of me
Maybe I don't want heaven?

So I'm counting to fifteen
Counting to fifteen, counting to fifteen
So I'm counting to fifteen
Counting to fifteen, counting to fifteen
So I'm counting to fifteen
Counting to fifteen, counting to fifteen
So I'm counting to fifteen
Counting to fifteen, counting to fifteen

Without losing a piece of me
How do I get to heaven?
Without changing a part of me
How do I get to heaven?
All my time is wasted
Feeling like my heart's mistaken, oh
So if I'm losing a piece of me
Maybe I don't want heaven?

The truth runs wild Like a tear down a cheek
