## **Lost Boy**

**Troye Sivan** 

As the smile fell from your face, I fell with it Our faces blue There's a heart stain on the carpet I left it, I left it with you

Yeah, the truth is that I'm sorry Though I told you not to worry I'm just some dumb kid Trying to kid myself That I got my shit together

So go, get to runnin', won't you hurry? While it's light out, while it's early Before I start to miss any part of this And change my mind, whatever

I say I wanna settle down Build your hopes up like a tower I'm giving you the run around I'm just a lost boy Not ready to be found Not ready to be found I'm just a lost boy Not ready to be found

I don't care much for locks on the window To keep me at bay I'll leave you one last kiss on your pillow Before I fly away

Yeah, we knew from the beginning That this wasn't never ending Shouldn't stay too long Cause we're both too young To give into forever

I say I wanna settle down Build your hopes up like a tower I'm giving you the run around I'm just a lost boy Not ready to be found Not ready to be found I'm just a lost boy

So what are you waiting for? Cause someone could love you more I'm just a lost boy, lost boy

So what are you waiting for? Cause someone could love you more I'm just a lost boy, lost boy

So what are you waiting for? Cause someone could love you more I'm just a lost boy, lost boy

So what are you waiting for?

Cause someone could love you more I'm just a lost boy, lost boy

I say I wanna settle down Build your hopes up like a tower I'm giving you the run around I'm just a lost boy Not ready to be found Not ready to be found I'm just a lost boy Not ready to be found
