

The Fault in Our Stars

Troye Sivan

1. The weight
Of a simple human emotion
Weighs me down
More than the tank ever did

The pain
It's determined and demanding
To ache, but I'm okay...

R: And I don't want to let this go
I don't want to lose control
I just want to see the stars with you
And I don't say goodbye
Someone tell me why
I just want to see the stars with you

2. You lost
A part of your existence
In the war
Against yourself

Oh the lights
They light up in lights of sadness
Telling you; It's time to go

R: And I don't want...

*: Don't give it up just yet stay
Grand for one more minute, don't give it up just yet
Stay... grand (3x)

R: And I don't want...
