

What a Heavenly Way to Die

Troye Sivan

Tell each other you're the one
While we're laying by the poolside, poolside
Getting tired from the sun
Fading in and out of long nights, long nights
There's no limit to your love
East or west we got the north lights, north lights, oh-oh

Take in it all
What a heavenly way to die
What a time to be alive
Because forever is in your eyes
But forever ain't all the time

I wanna spend with you, you
I wanna be with you, you
I wanna spend with you, you
I wanna be with you, you

When our prime has come and gone
And our youth is all but melted, melted
We can listen to this song
So we don't have to accept it, accept it
Just as long as you'll be home
In the one we've manifested-fested

Oh oh, just take in it all
What a heavenly way to die
What a time to be alive
Because forever is in your eyes
But forever ain't all the time

I wanna spend with you, you
I wanna be with you, you
I wanna spend with you, you
I wanna be with you, you
Just take in it all
