And just pass the blunt, so I can light it up.....Yeah

[Mystikal]

They call me the black 12th ward prince
When I hit the stage then the whole crowd get intense
Jump the barricades, to see the man right chea, ooh shit
Them bitches fightin they way to the front, tryin to get near
Screamin and hollerin til they faint, to get a chance to touch my hand
Then again, when they get that chance, all they do is grab my pants
Pull my leg, and touch my dick, get onstage and hug me,
And tell me how much they love my shit
Don't tell no lie, them niggas get amped and their hands held high
GO MYSTIKAL, GO MYSTIKAL, GO
Without me, you aint shit, cuz the man said so

Chorus:

Hit em up, hit em up, light em up, light em up
Get em up, hit em up, light em up, light em up
Get em up, hit em up, light em up, light em up
Get em up, hit em up, light em up, light em up
