

I Don't Wanna Break-up

Tsar

Hey, I said it's alright
I'm gonna make my change
When I bust my time, oh baby
I'll tell you the truth

You're kind of beautiful, yeah
I heard a funny thing
I hear it'll make a change
When I hit my feet and then go baby

I'll tell you the truth
You're kind of beautiful, yeah
Yeah
I don't want to break up

I don't want to take it on the mouth
I don't want to sit tight
I don't want to bust it out
Bust it out baby, don't get down

I don't want to justify my love
I don't want to get tight
I don't want to bust my brain,
Bust my brain, come on

Team, don't want to let me down
Let me record my change
When it takes no sound to go, oh baby
I'll tell you the truth

You're kind of beautiful, yeah
Yeah
And I don't want to break up
I don't want to spread myself too thin

I don't want to shoot straight
I don't want to bust again
Bust it in baby, don't get down
I don't want to search for the truth

I don't want to get back
I don't want to find the point we're bound to lose
Come on
Yeah, I said it's alright

I'm gonna make my change
Everyone is a silver shifter, babe
Now tell me the truth
I'm kind of beautiful, yeah

And I don't want to break up
I don't want to take it on the mouth
I don't want to sit tight
I don't want to bust it out

Bust it out baby, don't get down
I don't want to justify my love

I don't want to get tight
Hey, I don't want to, I don't want to

I don't want to, come on!
Come on! Come on! Come on! Come on!
Yeah baby come on,
I did it for you! Come on!
