

Kathy Fong Is The Bomb

Tsar

Oh Kathy Fong it's 3 minutes long
It's just the A side play side record uh huh
And all the buzz on the block is she's go'in to hit
Because this chick's got the kick that's goin' to click

And all the Hong Kong bobbies wanna spin the groove
Because she's uptide dynamite
Yeah this cookie's played hooky and she's going to move
When she'll cause the teen riot, she's gonna cause the teens to riot when she blows your mind

Kathy Fong is the bomb
Kathy Fong is the bomb
1-2-3 She's gonna blow up all over me
Kathy Fong is the bomb
Kathy Fong is the bomb
4-3-2 She's gonna blow up all over you

See the beast of the East is the best of the West
It's that Rudy, oh Trudy, oh God of Finesse
At the non-stop record shop their putting her on
And all the pepper, gas, trash, wanna fire the neutron

And everybody's hummin that she's so cool
She's gotta syntax subtext
Yeah, but Kathy isn't happy, and she's breaking the rules
She's gotta great little 8 now
She's gotta a #1 rate now, and she'll blow your mind

Kathy Fong is the bomb
Kathy Fong is the bomb
1-2-3 She's gonna blow up all over me
Kathy Fong is the bomb
Kathy Fong is the bomb
4-3-2 She's gonna blow up all over you.

All the heads of promo, are goin coast to coast
Gonna set the flow flow, because this girl has got a body
