

Ordinary Girl

Tsar

She never changes her mind
Loves him cuz he's so fine
Though she never tells him so
she loves him, oh.

Sometimes she feels so sad,
Other times feels twice as bad,
But when the tears are in her eyes...
she never cries.

Ordinary Girl,
I know, you're different
But I do believe it's love
Ordinary Girl
Wish I, were different
But I'm a stranger in the world.
Ordinary Girl.

And when the night won't last,
Her mind moves much too fast.
And she nearly crashed her car,
when she broke a star.

Ordinary Girl.
I know, you're different.
But I do believe it's love.
Ordinary Girl.
Wish I, were different.
But I'm a stranger in the world.
Ordinary Girl.
Ordinary.

She waits for him to call.
But then she feels so small.
Though she never tells him so,
she loves him, oh
