My friend Jim likes to dance and shout
He's gotta hole in his soul
where the juice gets out.
Yeah, he's got the juice (HEY!)
He's got the moves(HEY!)
an old promotion (HEY!) made to go to you!....(that's why)
You're gonna fall for Jim tonight,
so light the fuse of his dynamite.....alright.

You and Jim will hit it off
You and Jim will hit it off
Yeah explode like a 5th of Molotov.
You and Jim will hit it off...so hit it!

My friend Jim likes to point and shake.
He's got more gile than the miles from 'Frisco to LA!
(my boy!)He's got the check(HEY!)
how about that(HEY!)You try to chop chop(HEY!)
but you can't do that.....and that's why,
When he reaches for a slice of pie
Your gonna get your muffin shined...alright

You and Jim will hit it off
You and Jim will hit it off
Yeah explode like a 5th of Molotov.
You and Jim will HIT...IT.....OFF!

Hey!
You and Jim will hit it off
You and Jim will hit it off
Yeah explode like a Fifth of Molotov.
You and Jim will HIT IT OFF! Go hit it!
