

# Malignant Coronation

Tsjuder

I summon you öï¿½ mighty one  
I can hear you calling  
Whispering words unspoken  
Yes so clear

I can see the gathering of thousands  
I can feel the evil breathing  
I know the time has come  
I know my time has come

Öï¿½ mighty lord of chaos and destruction  
Öï¿½ ruler of darkness

Spirits of ancient times has been awaken  
Daemons of the underworld comes forth  
The sky turns black as never seen before  
The smell of death approaches

Öï¿½ mighty lord of evil and hatred  
Öï¿½ ruler of infinity

My horde has finally awaken  
I can see them raging  
They now summon me  
I am their master

Prepare for desecration!
