

Possessed

Tsjuder

Shadows raises from Beyond
Eternal Cold and Dark
When they are seeking through the Mountains
As Wolves hunt their prey

Possessed by Ghouls and Spirits
Possessed by Evil and Hate

The only Light is from their Torches
And the freezing Desert Moon
When they are riding with their Weapons
And the Darkest Medieval Paths

Possessed by Ghouls and Spirits
Possessed by Evil and Hate

As the Evil Creations they are
They're hunting you down
Raping your Whores
Killing you Child
Burning your Houses
Then, they'll slaughter you!

Once again they ride lonely
Among the Blackened trees
Seeking for Blood
Seeking for You!
