

Raping Christianity

Tsjuder

I am the ultimate Satanic warrior
My sword will slay you to the ground
Your guts is the paint on my walls
Your flesh is the food for my wolves

Raping Christianity (3x)
Fuck off!
Raping Christianity (3x)
You shall die!

I am the knight you will always fear
My power is greater than all your gods
My hatred is so strong
I am the ultimate Evil

Raping Christianity (3x)
Fuck off!
Raping Christianity (3x)
You shall die!

I will rape you out of this world!
