

Sodomizing The Lamb (The Kings Conquering)

Tsjuder

I am the rapist of the Jesuit whores
Breeding the sodomizers of the lamb
I am the slayer of Golgotha
Sodomizing the lamb

The earth rumbles as Hell's belfry chimes
The moon turns red as blood from dead angels
The stars fall to the earth as fire through the sky

Legions beleaguer the throne of Christ
I am at one with the fist of Gog
To smash the pearly heaven gates open
I am at one with the fist of Magog
To tear Christ from his golden throne
I am at one with the sword of Satan
To slaughter the 12 angels dead
I am at one with the fire of Hell
To burn the 7 churches down

The earth rumbles...

I am the rapist..
