

The Simple Truth

Tsunami Bomb

Even though I'm always gone
Doesn't mean I'm not thinking of you all the time
And when life is getting rough
I imagine us sharing our whole lives.

We could run away
Leave behind anything bigger
Not knowing where we're going to stop
When there's no limits.

You're part of me, it's so easy to see.
The simple truth
When I'm in your arms, I feel safe from harm
And sorrow too
You're part of me, it's so easy to see.
The simple truth
But most of all, nothing couldn't be solved
When I'm with you

That memory of your smile
Pierces through the dark when I go to bed alone.
And when I'm about to fall apart
I remember your open arms
Waiting for me to come home.

Let's create our own world
Make it up to us, simply and honest
I'll sing a song you've never ever heard
No one else could be

You're part of me, it's so easy to see.
The simple truth
When I'm in your arms, I feel safe from harm
And sorrow too
You're part of me, it's so easy to see.
The simple truth
But most of all, nothing couldn't be solved
When I'm with you

But most of all, nothing couldn't be solved
When I'm with you
But most of all, nothing couldn't be solved
When I'm with you
But most of all, nothing couldn't be solved
When I'm with you
But most of all, nothing couldn't be solved
When I'm with you
