Close To You

Why do birds Suddenly appear Everytime you are near Just like me They long to be Close to you That's right, baby As I've often said and wondered Why do stars Fall down from the sky Everytime you walk by Just like me They long to be Close to you On the day that you were born The angels got together and decided To create a dream come true So they sprinkled Moondust in your hair Of gold and starlight In your eyes of blue That is why all The girls in town Follow you all around Just like me They long to be Close to you On the day that you were born The angels got together and decided To create a dream come true So they sprinkled Moondust in your hair Of gold and starlight In your eyes of blue That is why all The girls in town Follow you all around Just like me They long to be Close to you Just like me They long to be Close to you Tištěno z www.txp.cz
