Year Is Nineteen Eighty Five And It's A Miracle You're Still Alive We Need Another Tragedy To Show The World Who's Boss And Then You'll See

Since I Flew
Did Things To Me
All I Knew
Different Story

Think Small
Act Small
Be Small

Past Falling Onto Smooth Sailing Witness Earth Trailing Far Behind

Wives Balling Cause Now God's Calling And All Hope Is Falling From Their Minds

Since Man Was Born
He Knew The World
Was Too Small For His Mind
And Dreams Were Made
To One Day Reach The Sky
And God Held Out A Helping Hand
Intending To Be Kind
And Pompous Man Just
Gave It A High Five

Into Your Destiny

Past Falling Onto Smooth Sailing Witness Earth Trailing Far Behind

Wives Balling Cause Now God's Calling And All Hope Is Falling From Their Minds

God Hates Astronauts And God Hates Astronauts Cause God Hates Astronauts

What Nietzsche Said Is Far From True Because I'm Far About Still Watching You And When You're Orbiting Though Heaven's Skies Your Will To Power Falls Before It Flies

Since I Flew Did Things To Me All I Knew
