

Yummie Yummie Yummie

Tub Ring

Yummie, yummie, yummie
I got love in my tummy
And it feels like loving you

Love you, such a sweet thing
Good enough to eat
And I know just what
I'm gonna do

Ooo love, to hold ya
Ooo love, to kiss ya
Ooo love, my love it shows

Ooo love, the sweeter
Sweeter than sugar
Ooo love, I won't let you go

Yummie, yummie, yummie
I got love in my tummy
And it feels (?)
