

Ruck A Pit Bridge

Tuff

I heard ya missed me, sweet Mississippi,
Can you believe it's been so long?
Your face is glowing, I need to know 'n'
Now-now, it's my time I wanna play.

I wanna take you down to the ruck-a-pit bridge,
Do you wanna-do you wanna go down, down.
Your father told you stay away from ruck-a-pit bridge,
Do you wanna go down, down.

It's mid September, time to surrender,
Don't need to play or pull my chain.
I see you lying, your love is crying now, now
One more time, show me the way.

Do you wanna-do you wanna go down, down.
