

Live Your Life

Tulisa

Live your life, live your life,
In the zone, in the zone.
Live your life, live your life,
In the zone, in the zone.
Live your life, live your life,
In the zone, in the zone.
Live your life, live your life,
In the zone, in the zone.

Cameras off, knock this off
I'm going to do it like a boss tonight, tonight
Empty glass not allowed, bottom out my account tonight, alright

We could ride into the night, anything you like
Like lovers do
Party for your life, it could end tonight
Like lovers do

Why did you come out if you're not dancing?
Get up out my way 'cause it's our time
We don't give a... if you don't join in
Cause we got freedom
I got freedom

Raise your hands,
Throw them up,
Show them we don't give a what
Live your life life, live your live your life, live your life.

Celebrate in their face
Party way into the day!
Live your life life, live your live your life, live your life.
Live your life life, live your live your life, live your life.
In your zone, in the zone.

Leave me alone in the zone
Clear the phone, I'm a queen tonight, tonight
Let freedom rain go insane let the party eat your pain tonight, alright

We could ride into the night, anything you like
Like lovers do
Party for your life, it could end tonight
Like lovers do

Why did you come out if you're not dancing?
Get up out my way 'cause it's our time
We don't give a... if you don't join in
Cause we got freedom
I got freedom

Raise your hands,
Throw them up,
Show them we don't give a what
Live your life life, live your live your life, live your life.

Celebrate in their face
Party way into the day!

Live your life life, live your live your life, live your life.

If you wanna be free (if you want it go and get it)
If love is all you need (if you want it go and get it)
If you wanna live your dream (if you want it go and get it)
And be all that you can be (if you want it go and get it)

Live your life life, live your live your life, live your life.
(if you want it go and get it, if you want it go and get it)
(if you want it go and get it)
Live your life life, live your live your life, live your life.
Live your life life, live your live your life, live your life life life...

Why did you come out if you're not dancing?
Get up out my way 'cause it's on time
We don't give a... if you don't join in
Cause we got freedom
I got freedom

Raise your hands,
Throw them up,
Show them we don't give a what
Live your life life, live your live your life, live your life.
