

Make a wish

Woke up today and I tried to breath instead I suffocate in lies
of dreams you're never what you seem to

pretend to be inside myself I feel the need to be... your marty
r, whore the ex that you should never trust the
seven deadly sins which you will not discuss my lovely creature
is quickly losing all his charms and he'll be
left with nothing and no one in his arms

Tell me what you want from me I'll rub it till it bleeds tell m
e what you want from me I'll give it what it
needs tell me what you want from me I'll rub it till it bleeds
tell me what you want from me I'll give you what
you need... I'll give it

In violent sleep I dreamed of you tried to forgive the things I
knew this romeo so innocent has crucified his
juliet while angels kept me safe you fucked away my faith I'm i
n this purgatory state but it's too late selfish
I attempt to keep it selfless I destroy the secret no longer to
rtured I'm the creep who scars herself to sleep

Repeat chorus

She'll here it when she sleeps... when he sleeps

IT'S 11-11 HAPPY BIRTHDAY

Now lay me down to sleep, code I know but I can't keep if blood
could crawl I'd spill it all just to escape
form me can you feel my pain? can you feel my pain? can you fee
l my pain? CAN YOU FEEL MY PAIN? feel it... are
you scared? SCARED OF ME? cause I don't sleep and you don't sle
ep YOU DON'T SLEEP WITH ME!

Tell me what you want from me I'll rub it till it bleeds tell m
e what you want from me I'll give it what it
needs tell me what you want from me I? rub it till it bleeds te
ll me what you want from me

I'll be your little creep tell me what you want from me I'll ru
b you till you bleed what the fuck do you want
from me I'm just a little creep tell me what you want from me I
'm happy when you bleed tell me what you want
from me I'LL HEAR IT WHEN I SLEEP...
