

## Are You Ready (For Some Darkness)

Turbonegro

Are you ready for some darkness  
are you ready for some fun?  
Do you wanna touch the right tonight  
or do you want to grab your hat and run?  
Are you ready for the void?  
Do you wanna lose your mind tonight  
do you wanna be a denim boy?  
Are you ready for the nighttime  
are you ready for the booth?  
Do you wanna suck the goat tonight  
and do you want the right to stay?  
Or is it way to much?  
Too much for you to touch?  
You want it, you got it  
But you never paid for this  
Are you ready for some darkness  
are you ready for the show?  
Do you wanna feel the heat tonight  
or do you wanna hit the road?  
Do you really wanna get it  
or do you wanna shut the door?  
Do you really wanna call it a day  
or do you want some more?  
Are you ready for the panther  
are you... are you ready for the light?  
Do you wanna buzz the buzz again  
and are you... are you ready for the fight?  
Are you ready? Yes, I'm ready.
