## **Denim Demon**

Turbonegro

I tried to be part of the scene -Bought all the records and magazines -But all the kids they put me down laughed and said I was a clown -Said they didn't want me around -Made me feel so all alone -But now I'm back with a bang -I've got my own leather gang -And all of them are men -And denim's back again -And I am - And I am -I am a denim demon -Got my own congregation -I am a saint for seamen -And I am - And I am -I am a denim demon -You've got my penis steaming -And your asshole screaming : HELP! -The day is black, the night is white -The disco sun it shines so bright -Protruding buttocks left and right -I draw my sword prepared for fight -The stench of piss reveals your fright -Your asshole is in for a ride -But now I'm back with a bang -I've got my own leather gang -And all of them are men -And denim's back again -And I am - And I am -I am a denim demon -Got my own congregation -I am a saint for seamen -And I am - And I am -I am a denim demon -I've got my penis steaming -And your asshole screaming : HELP! -Outside of society - Good Head ! Good Head ! - 4x -OUTSIDE -
