

## Good Head

Turbonegro

Sweeping floors at the mill all day  
Dropped out of school just to get away  
I'm just a kid but I'll soon be dead  
And all I want is some good head  
Flipping pizzas on a Saturday night  
classy asses to the left and right  
have you ever been laid, she said  
Fuck you. I'd rather have some good head
