

# The Age of Pamparius

Turbonegro

From the ashes of this golden age of confusion,  
the denim recruits came to be  
known as the apocalypse dudes.  
So you think you had an Opera  
well not like this  
So you think you had a Napoli  
well not like this  
So you think you had a decent pizza  
well not like this  
so you think you had a real good pizza  
well not like this  
You got nothing to lose at Pamparius  
gonaa wear them happy shoes tonight  
You got nothing to lose at Pamparius  
gonna bake a motherfucking pizza tonight  
so you think you had a pepperoni  
well not like this  
So you think you had a calzone  
well not like this  
So you thought you could make your own  
well not like this  
So you thought you could take it home  
Well not like this  
You got nothing to lose at Pamparius  
gonna wear them happy shoes tonight  
You got nothing to lose at Pamparius  
Gonna bake a motherfucking pizza tonight  
Apocalypse dudes got nothing to lose  
Gonna stomp some teenage ass tonight  
Apocalypse dudes got nothing to lose  
Gonna bake some motherfucking magic  
tonight
