

Come And Go

Turin Brakes

My open heart is all a flutter
Memories as sweet as butter
Running down the blade of a double-edged sword
I recall a kiss, a photograph
A near miss, I can't recall the faces of them all

'Cause you come and you go
'Cause you come and you go
'Cause you come and you go

Opened up my heart
You opened up my heart
And let some sunshine down the avenue
I'm going to take my time today
I'm going to take what's mine today, yeah

'Cause you come and you go
'Cause you come and you go
'Cause you come and you go

I'm going to take my time today
I'm going to take what's mine today, yeah

'Cause you come and you go
'Cause you come and you go
'Cause you come and you go
