

## Jump Start

Turin Brakes

In the morning I'll be alone  
It doesn't matter where I go  
In the back of a bus in the middle of a laugh  
Waiting for the next show

Like a lost cardboard kid,  
Stuck in the background  
From the bugs in the ground  
To the stars in the sky  
I need the sound

Of an old friend  
Why don't you sing to me?

Like a burned out car oooh  
Like a broke guitar taking a solo  
I'm gonna hold out that old heart  
Everybody needs a jump start

In a world on repeat  
Everyone asleep at the wheel  
The boy in the bubble looking for trouble  
Who forgot to feel

And there's a sprak between  
The day and the night  
The kid in the play ground that's been let down  
I need the sound

Of an old friend,  
Why don't you sing to me?

Like a burned out car oooh  
Like a broke guitar taking a solo  
I'm gonna hold out that old heart  
Everybody needs a jump start
